Current and Recent Teaching Assignments

Healthy Sexuality in Marriage SFL 376: An advanced undergraduate course focused on helping professionals understand how to work with families and couples in the area of sexuality.

Marriage, Family, and Human Development 695R: Special Topics, Research on Sexuality. A graduate course that focuses on teaching students the major theoretical, empirical, and conceptual findings in the area of sexuality.

Marriage, Family, and Human Development 691: *Graduate Research Methods*. A graduate course that focuses on teaching students the major quantitative methods and statistical analyses necessary to conduct research with children and families.

School of Family Life 325: *Forming Marital Relations*. An upper-division core course for undergraduate students focusing on the research being conducted on dating, marital trends, marital success, and marital enrichment.

Human Development and Family Studies 2322: *Courtship and Marriage*. An undergraduate course focusing on dating, courtship and early marriage.

Human Development and Family Studies 5101: *Teaching College in Human Development and Family Studies*. A graduate course designed to introduce, instruct, and supervise doctoral students into the teaching profession.

Human Development and Family Studies 5354: *Research with*

Multiple Dependent Variables. A doctoral seminar designed to teach students how to collect, analyze, and interpret findings with designs including multiple dependent variables.

Child and Family Studies 732: *Research Methods in Child and Family Studies II.* A doctoral seminar designed to teach students advanced research methods including correlational and experimental designs.

Child and Family Studies 631: *Research Methods in Child and Family Studies I.* A masters and doctoral seminar designed to introduce students to comprehensive research methods and Statistical Analyses using the Computer.

Child and Family Studies 700: *Multimedia Instruction in Child and Family Studies.* A course designed to teach students how to become proficient in using multimedia in the college classroom. In addition this course included an evaluation of the influence of information technology in our lives.

Child and Family Studies 882: *Advanced Assessment and Research in Marriage and Family Therapy.* A doctoral course at that assisted students in understanding how research has been applied in family therapy settings.

Child and Family Studies 683: *Assessment in Marriage and Family Therapy.* A graduate seminar centered on the major assessment issues and instruments available for the marriage and family therapist.

Child and Family Studies 773: *Family Violence: Treatment and Research Issues.* A graduate seminar on current treatment and research issues with respect to physical and sexual violence in families.

Child and Family Studies 681: *Ethical and Professional Issues in Marriage and Family Therapy.* A graduate seminar designed to introduce students to the professional changes in the field and the ethical/legal issues they will encounter in the practice of therapy.

Child and Family Studies 800: *Family Therapy with Children and Adolescents.* An applied course designed to improve the skills of professionals working with children.

Child and Family Studies 860, 760: *Practicum in Marriage and Family Therapy.* Supervised experience for masters and doctoral level students in counseling individuals, premarital and marital dyads, and families.
